Subject: 176 protest

Mr. McCallum,

I am concerned with the presence of the protesters at the 176 st border crossing.

I have been paying very close attention to the proceedings in Ottawa over the last 22 days and I am greatly concerned that the protest at 176 may become the next Ambassador Bridge Blockade. As there is a contingent of the protestors from Ottawa on their way to the GVRD, I'm certain you are aware of the significant value of goods travelling through this border crossing. I'm certain that you will do everything within your power to put a halt to any illegal blockades or encampments that form at that crossing.

I appreciate that you are likely very busy with your Mayoral duties, and if you take the time to read this yourself. Thank you for your time.
